

THE OHIO HOUSE OF REPRESENTATIVES

REPRESENTATIVE CHARLES CALVERT HOUSE DISTRICT #81

On behalf of the members of the House of Representatives of the 123rd General Assembly of Ohio, we are pleased to congratulate

FIT, INC.

on receiving a 2000 Quality Performance Award from Honda of America Manufacturing, Inc.

This prestigious honor is, indeed, a fitting tribute to FIT, Inc., for its professionalism and expertise, as well as its commitment to maintaining the highest industry standards. FIT supplies fasteners and cold-formed parts to Honda of America Manufacturing, and it has received Honda's Quality Performance Award as one of the "best of the best" of 138 Ohio companies that must be at the top of their commodity type measured by their quality index and have superior delivery performance.

The success of FIT, Inc., is a justifiable source of pride and an excellent reflection not only on the business itself, but also on its astute management and hard-working employees and on the Valley City community, as well. This noteworthy company has enhanced the quality of life within the surrounding area, and we are certain that this fine supplier will continue to display the same unwavering dedication to excellence for which it has become known.

Thus, with great pleasure, we commend FIT, Inc., on its recent honor and extend best wishes for ongoing success.

Charles Calvert
